

DETOUR ROUTE

Effective July 26, 2010 to mid-November 2010

For Landscape Ontario, Canadian Nursery Landscape Association,
Ontario Parks Association and Vanden Bussche Irrigation

Due to construction work by the Town of Halton Hills on Fifth Line South, there will be **NO ACCESS** to the LO site via Steeles Ave. Please see above detour map. Signs will also be placed along the detour routes. We are only accesible **from the south**.

Access from the West:

James Snow Parkway (south) to Derry Road (east) to Fith Line (north).

Access from the East:

Trafalgar Road (south) to Derry Road (west) to Fifth Line (north).

Main Street will still be open to small vehicles and local traffic. Large trucks and trailers should not use Main Street as the turn onto Fifth Line South is too narrow to accommodate them.
