

Table P1 (2014a): The perennials rated in the list below during the 2014 growing season were grown in beds under full sun, irrigated conditions at the Guelph Trial Garden located on the grounds of the Guelph Turfgrass Institute. Note the planting year column when evaluating the scores. (5= best rating, 1=worst)

Genus	Cultivar	Source	Planting Year	Plant Type	Average June	Average July, August and September
					Rating	Rating
Hemerocallis	Dark Avenger	Vanhof and Blokker	2010	Perennial	1.5	3.0
